Golf Rio Real is located 3km east of Marbella and is a basically flat course sloping gradually down to the sea. It is very picturesque, large trees offer shade and the fairways make several crossing of the Real River. Holes to look out for are the par three 6th where your tee shot must be accurate, the 8th which is surrounded by formidable bunkers, the dogleg par four 10th, spectacular 11th and new par three 12th. Rio Real is considered one of Marbella's classic golf courses. www.rioreal.com

Calanova Golf Club – situated in Mijas municipality, this new Costa del Sol course offers extraordinary views of the Mijas sierra and the sea. Nearly all tees are elevated, very open fairways and it is a wide ranging course that will not penalise the average player. www.calanovagolfclub.com

Santana Golf & Country Club – a spectacular course both for design and location. Located in the Mijas "golf valley", the layout is flat with wide fairways, expansive greens and provides a general atmosphere of challenging but fair golf. Situated between two rivers with a creek passing through the course, golfers will be happy to have visited this course. www.santanagolf.com

Your accommodation occupies a fantastic beachfront location, just a short stroll from Calahonda with its shops, tapas bars, restaurants and nightlife. Built around a 270ft long curved swimming pool, the sub-tropical gardens are characterised by swaying palms and tumbling waterfalls – all gently sloping towards the blue Mediterranean.

Facilities – outdoor pool, indoor heated pool, gymnasium, spa-beauty saloon, mini-shopping market, laundry. All rooms are self-contained and there is satellite TV, ironing and hair drying facilities, both local and IDD telephone systems.

The resort is located approximately 30km from Malaga airport. Taking the A7 Costa, staying in the right lane to avoid the motorway, you will see the very large blue and white Dona Lola Club sign on your left hand side. Exit the A7 Costa, cross under the road you have been travelling on and come back to the resort. Reception is located on the left hand side when you enter the property.

To view the property, go to www.macdonald-resorts.co.uk and look for Macdonald Spain Resorts and then Dona Lola Club.

General information > General information

At Malaga airport, hire cars can be obtained and WAGA recommend Niza Cars – www.nizacars.es

They provide special deals for Macdonald resort guests. There is ample car parking at the resort. A train service operates from Malaga via the airport to Fuengirola and then there is a relatively cheap bus or taxi service to Dona Lola Club. The weather should be clear with sunny skies, light clothing is recommended. Airlines are now making it expensive to carry golf clubs so WAGA and Macdonald golf are able to provide average sets of clubs for hire at 40 Euro for the event. This is much easier than carrying clubs for the remainder of your holiday.
